Let your keyboard finish. My next great project will be...

About reporting

At the end of every week, and at the end of every month, JeBoulot should be expecting a report.

Weekly reports

Monthly reports

A close-up photograph of a person's hands typing on a laptop keyboard. The image is heavily stylized with a semi-transparent purple overlay that covers most of the frame. The hands are positioned in the lower half of the image, with fingers pressing down on the keys. The background is dark and out of focus, showing some indistinct shapes that might be part of the laptop or the person's clothing. The overall mood is abstract and modern.

End.
